Traffic Violator School Program: Application and Curriculum Requirements

In accordance with Government Code section 11346.8(c), the Department of Motor Vehicles (department) provides this notice for the purpose of inviting comments regarding modification of the proposed regulations relating to the fees for Traffic Violator School Programs. The regulatory language as originally proposed was published in the California Regulatory Notice Register on May 6, 2011, and provided to interested persons for comment.

The department received several comments during the 45-day comment period. A public hearing was requested and was held in Sacramento on June 27, 2011. After receiving comments presented at the public hearing, the department determined it was necessary to modify the proposed language to address concerns raised at the hearing.

The department is conducting an additional comment period of 15-days for the public to review and submit comments related to, among other issues, the requirements for an approved program name, modifications to course curriculum time requirements, and allowing a student to provide a court jurisdiction in place of a court code.

The department will only respond to comments on the amendments which are indicated by methods described below.

Attached is the full text of the proposed regulation. The text includes the originally proposed language as well as the proposed changes to the language.
